Beschreibung der CrossAsia-Datenbank: „Asian Studies E-Book Collections“:

The licence includes the "Asian Studies E-Book Collections" of the publishing house Brill since the publication year 2013 and provides access to the archive including publication years 2007-2012. However the whole range of Brill e-book collections can be searched which might be helpful to locate other relevant titles. The Asian studies collections include a large variety of subjects and deal with various Asian countries. The titles can also be found via the general catalogue Stabikat and the xAsia search.
