PUBLISH DISSERTATIONS OPEN ACCESS

Manual for doctoral candidates
as of: **November 2021**

WHY PUBLISH DISSERTATIONS OPEN ACCESS?

- fast and free worldwide availability
- varied display options beyond text and images
- secure long term archiving and record in the national catalogues of the „Deutsche Nationalbibliothek“
- distribution in the document repository of the RUB and in the local catalogue
- findability via search engines
- improves frequency of citation
- lower costs

WHERE TO PUBLISH?

The document repository contains digitally published dissertations and habilitations of the RUB in full text. In addition, RUB scientists have the possibility to publish and permanently archive already published texts open access via the document repository (Green Open Access).
