

Information regarding safety measures at RUB – a short introduction for students

Escape and Rescue Routes, Emergency Exits

- Circulation areas (e.g. walkways) as well as escape and rescue routes may not be restricted and must be kept clear at all times. Never store objects or items here (not even temporarily!)
- Keep smoke / fire control doors and emergency exits closed but not locked. They must be easy to open from the inside at any time without tools.
- Do not leave smoke / fire control doors wedged open.

Emergency exits, escape and rescue routes shall be visibly and permanently marked.

Brandschutztür

verkeilen, verstellen, festbinden o.ä. verboten

Starting the rescue chain at RUB

RUB Control Room "Leitwarte" for emergencies on RUB Campus

- Telephone number for the RUB Control Room 0234/32-23333*
- Telephone number 23333 (from an internal RUB phone)

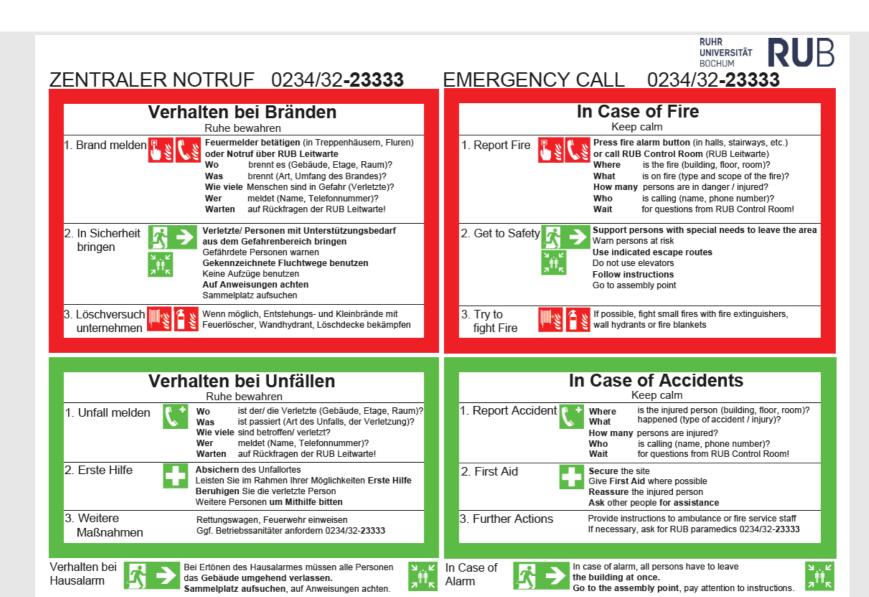

* Please store this number in your mobile phone!!!

The RUB Control Room starts the rescue chain. The RUB Control Room staff inform the according emergency services (fire service/ambulance and/or police) and ensure that the emergency service(s) arrive at the scene as quickly as possible. Depending on the emergency, the RUB Control Room staff will also send company paramedics to the scene. The RUB Control Room is available around the clock every day.

Attention: The telephone number can differ for RUB facilities which are located off Campus. Please enquire about the correct telephone at your location!

Website for dealing with emergencies at the RUB

Should there be a major emergency at the RUB, information would be provided via the website https://notfall.ruhr-uni-bochum.de/en/

Emergency Webpage of Ruhr University Bochum

On this webpage, Ruhr University Bochum will post up-to-date information regarding on-going emergencies on campus. Here, you will also find important information on what to do in an emergency.

At present, no emergency has been reported.

Pregnant students at the Ruhr-Universität Bochum

- The "Mutterschutzgesetz" (law for the protection of expectant and nursing mothers) also applies to pregnant students
- Therefore obligations to report, on rention periods and the duty to evaluate possible hazards do apply for pregnant students
- Pregnant students are asked to report the pregnancy using the RUB website of the student services (see below). Supervisors should also be informed!
- Additional information is available on this website: https://www.ruhr-uni-bochum.de/studierendensekretariat/.

Statutory accident insurance when studying at RUB

- In case of an accident at a RUB location, employees and students are insured by "Unfallkasse NRW"
- Accidents while commuting to and from RUB are covered as well
- Students should report all accidents to: AKAFÖ, E-Mail: <u>Unfallanzeige-</u> <u>RUB-Studierende@akafoe.de</u>

Further sources for information

- The Occupational Safety and Environment Protection Unit has produced a video with the most important instructions for dealing with emergencies. The video lasts approx. 15 minutes. You can find the video here: https://youtu.be/IGeElyAwEmQ.
- A detailed emergency manual for all RUB members was published in fall 2023. The RUB Emergency Manual describes emergency scenarios of all kinds and provides recommendations on what should be done when and by whom. You can find the emergency manual here: https://www.ruhr-uni-bochum.de/notfallhandbuch/RUB-Emergency-Manual.pdf

Please note: To download the RUB Emergency Manual, you must enter your RUB login ID and password.
