Recipe for a Powerful Prompt

1.Set the role: Who should the AI act as? (teacher, designer, analyst, lawyer, career coach...)

2.State the goal: What do you want to achieve, as precisely as possible?

3.Add context: Everything the AI needs to know to avoid guessing

4.Define the outpout format: How you want the answer presented

5.Add constraints: Tone, length, style, do's & don'ts

6.Provide examples: Optional, but extremely effective
